Refund Policy

Electrical, Mechanical, and Plumbing Permits

Permit refunds are available providing no inspection(s) have been completed. If an inspection(s) has been completed, the permit fee is non-refundable.

The \$50.00 base fee is non-refundable. The remaining permit fee can be refunded or a credit can be placed on account towards the next permit. Refunds must be requested in writing. Once the request is received, a check will be mailed for the remaining balance with an itemized accounting.

Building Permits (Residential and Commercial/Industrial)

The \$45.00 base fee plus the administration fee are non-refundable (\$10.00 residential or \$25.00 commercial/industrial).

For residential and commercial/industrial permits, if the permit has been issued, the plan review fee is non-refundable.

The remaining permit fee can either be refunded or a credit will be placed on account. Refunds must be requested in writing. Once the request is received, a check will be mailed for the remaining balance with an itemized accounting.
