Description of Work: _____

Homeowner Affidavit

I hereby certify the work described on this permit application shall be installed by myself in my home which I am living or about to occupy. All work shall be in accordance with the State Plumbing Code and shall not be enclosed, covered up, or put into operation until it has been inspected and approved by the Plumbing Inspector. I will cooperate with the Plumbing Inspector and assume the responsibility to arrange for the necessary inspections.

Applicant Signature

Section 23a of the state construction code act of 1972, 1972PA230, MCL 125.1251523A, prohibits a person from conspiring to circumvent the licensing requirement of this state relating to persons who are to perform work on the residential building or a residential structure. Violators of section 23a are subject to civil fines. Signature of Contractor or Homeowner indicates compliance with the above Homeowner Affidavit.

General: Plumbing work shall not be started until the application for permit has been filed. All installations shall be in conformance with the Plumbing code. No work shall be concealed until it has been inspected. When ready for an inspection call 517-622-8822 providing as much advanced notice as possible. The inspector will need the job location and permit number.

Expiration of Permit: A permit remains valid as long as work is progressing and inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced within six months after issuance of the permit or if the authorized work is suspended or abandoned for a period of six months after the time of commencing the work.

A permit will be canceled when no inspections are requested and conducted within six months of the date of issuance or the date of a previous inspection. Canceled permits cannot be refunded or reinstated.
