WACOUSTA CHAPTER #133, O. E. S.

DeAnn Openlander, Sec'y 8101 Clark Rd. Grand Ledge, MI 48837 (517) 626-6355

April 30, 2024

Watertown Charter Township Board members,

On behalf of the Wacousta Chapter #133, Order of the Eastern Star in MI, I would like to convey my sincerest gratitude to you for allowing us to use the gym for our fund raiser, without cost. We had a beautiful day for the event and the crowd was enthusiastic in their bidding to help raise funds.

By the time you read this, we will have chosen two graduating seniors for scholarships. Also in progress is a donation of bags for foster children, who often have little or nothing to transport their belongings in. A check to the Wacousta PTIA for teacher and staff supplies at the new school has already been presented in conjunction with a check from the Masonic Lodge.

In conclusion, thank you again for you kind and generous support of local community groups.

Sincerely,

DeAnn Openlander

Wacousta Chapter #133, Secretary

ARMY National Guard Priorities for CERCLA work at Grand Ledge AASF

- ARNG Top Priority: Human Health
- Work cooperatively (MI Department of Health, EGLE, Department of Military and Veterans Affairs, ARNG-G9) and communicate PFAS CERCLA progress with community
- Move deliberately through Remedial Investigations while taking interim actions to protect human health

CERCLA= Comprehensive Environmental Response, Compensation and Liability Act, sometimes called "Superfund Act"

PFAS = per- and polyfluoroalkyl substances (a class of materials of which there are hundreds of individual compounds)

CERCLA Process

Cleanup Steps:

- Preliminary Assessment: step 1.
- ▶ Site Inspection: step 2.
- Remedial Investigation: step 3.
- "You are here"
- Feasibility Study (engineering analysis of alternatives: step 4.
- Proposed Plan (outcome of Feasibility Study.
- Record of Decision.
- Remedial Design.
- Remedial Action.
- Monitoring (if necessary).
- Remedy complete/five-year reviews

TCRA- Interim action to remove risk (less than 6 months), e.g., test for impacted drinking water and provide bottled water

NTCRA- Interim action to remove risk (taking > 6 months; includes engineering analysis), e.g., test for impacted drinking water and provide alternative water supply

TCRA: Time Critical Removal Action

At any point

PFAS and Drinking Water Sampling

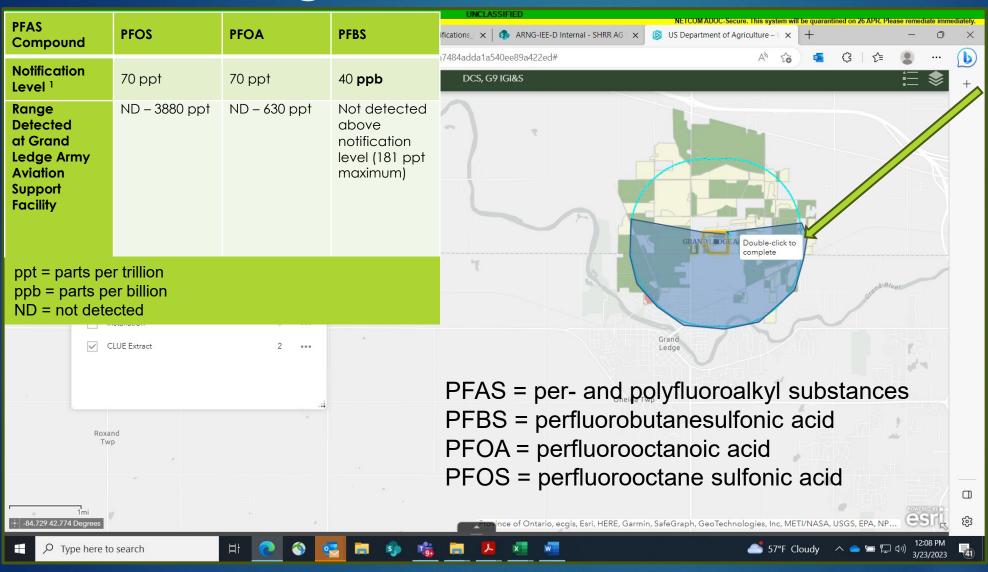

- Drinking Water Sampling 2020:
 - 25 locations sampled
 - Not detected at 23 locations
 - 1 Location: PFOS detection of 3.38 parts per trillion
 - 1 location: PFHxA 2.37 parts per trillion
- Drinking Water Sampling 2023:
 - 6 new locations sampled
 - PFOS up to 1.2 parts per trillion (3 locations)
 - PFOA at 1.4 parts per trillion (1 location)
 - PFBA up to 4 parts per trillion (2 locations)

Drinking Water Results versus Maximum Contaminant Levels

	2024 Final EPA Maximum
Analyte	Contaminant
Perfluorooctanesulfonic	4

Remedial Investigation (Step 3): How far have concentrations traveled and is there a risk?

- Zoomed in view of PFOA concentrations and sample locations (dots)
- Dots are groundwater wells of various sorts

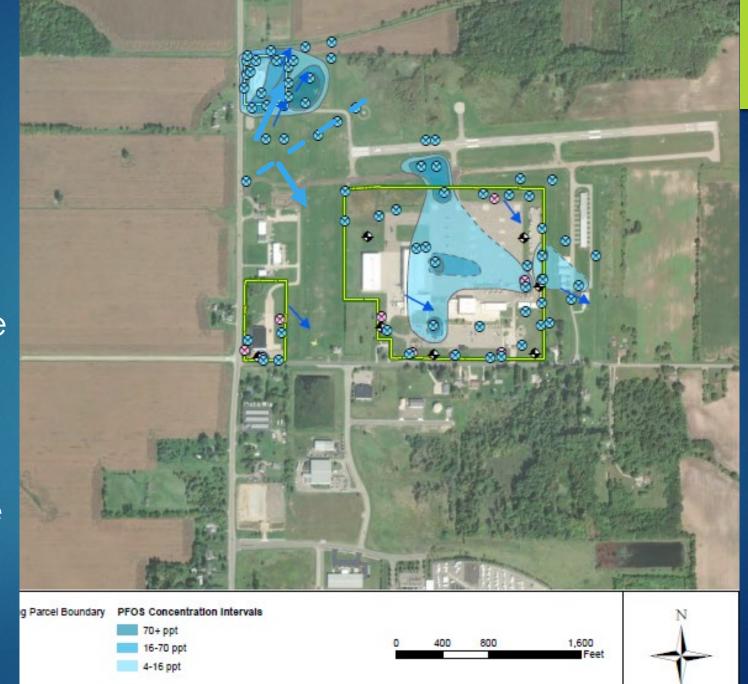

Remedial Investigation (how far and how much PFAS?)

 Zoomed in view of PFOS concentrations and sample locations (dots)

- Zoomed out view of PFOS concentrations and sample locations (dots)
- Note that there are dots with no concentration colors, which means concentrations are below 4 ppt or not dectable

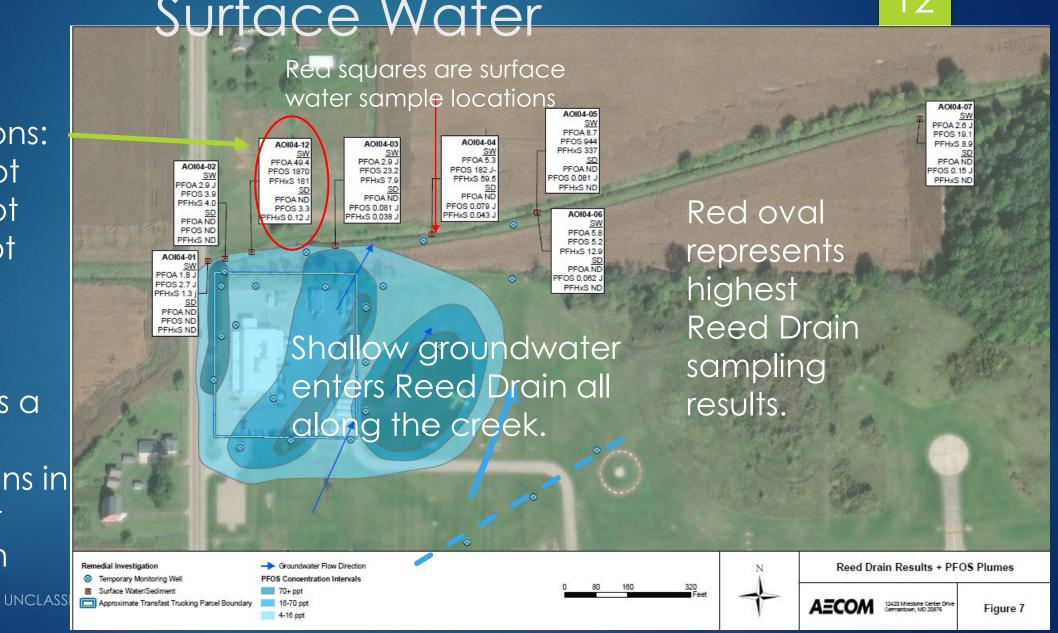

UNCLASSIFIED

PFOS: shallow groundwater and Surface Water

Maximum
Concentrations:
PFOS:1870 ppt
PFOA:49.4 ppt
PFHXS: 181ppt

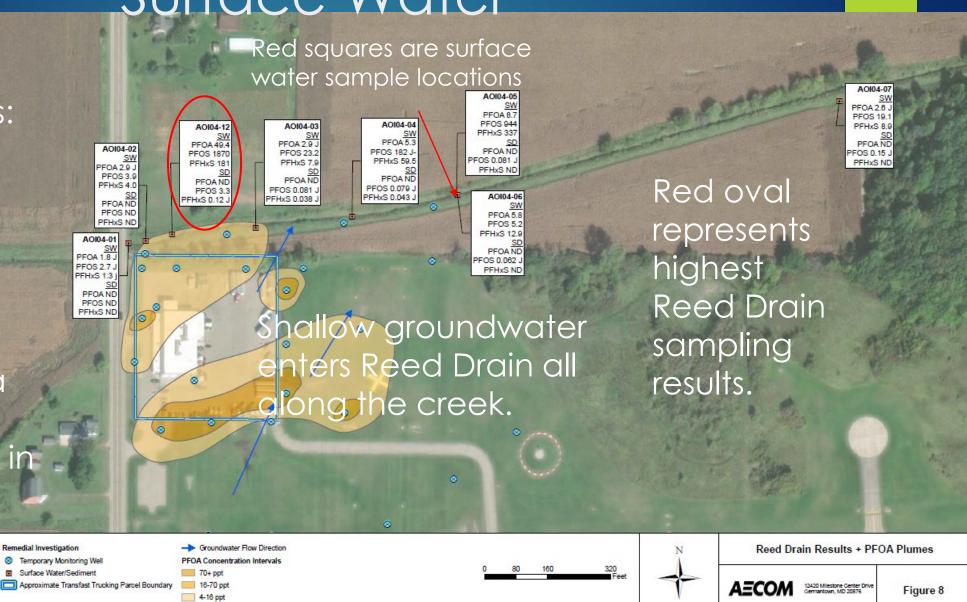

The surface water (Reed Drain) acts as a barrier for concentrations in groundwater moving North

PFOA: shallow groundwater and Surface Water

Maximum
Concentrations:
PFOS:1870 ppt
PFOA:49.4 ppt
PFHXS: 181ppt

The surface water (Reed Drain) acts as a barrier for concentrations in groundwater moving North

Next Steps

- Complete the Remedial Investigation
 - Collect additional soil and groundwater samples
 - Determine the full extent of PFAS in the environment
 - Prepare a risk assessment
- Prepare a Feasibility Study
 - Select the best methods to remediate PFAS

Restoration Advisory Board

- Community-based group: provides input and advice on environmental cleanup activities
- Sign up sheet in the back of the room
- Requirements:
 - Representatives from broad swath of community to include residents, business owners, local government and environmental organizations (typically 5-15 members)
 - Hold regular meetings (e.g. quarterly) to review ongoing cleanup activities and provide feedback to ARNG
 - Transparency: RAB meeting are open and provide information to the public about progress and RAB decisions
 - Must have a community chairperson
 - Need a group of community members interested in keeping informed and meeting regularly
 - MI ARNG provides a co-chair for the RAB
- ▶ If the community indicates interest, then an initial meeting is held, members are selected, Chairperson elected, bylaws determined, charter developed

Development

Lakeside Preserve Phase 10 is filling up, 2/3 of the lots are under construction.

Plumbers & Pipefitters plan review complete, expecting building permit issuance soon.

Working with the House of Promise on permitting for campus expansion.

Site Plan Review application received for expansion at Myers Plumbing on Industrial Pkwy.

Site Plan Review application received for expansion at Northern Pump & Well on Grand River.

Draft site plan on Grove Road reviewed w/comments. No application at this time.

Nottingham issues still unresolved, applicant may seek to work with Clinton County Road Commission regarding bonding issues.

Property owner on Herbison Road expected to seek approval for land divisions for 6-7 new residential lots.

ZBA

The ZBA did not meet in April and is not expected to meet in May.

Master Plan Update

Master Plan update has been uploaded to the township's website, adoption notice sent to neighboring municipalities and utilities on April 11, 2024.

Other

Staff is working to draft bylaw amendments to the Zoning Board of Appeals bylaws. Notices for Dump Your Junk Day were sent to all current and recent zoning violations. Staff ordered updated Zoning Board of Appeals training materials, working to copy and distribute to new and current members.

GMB/TCRPC has received a grant to study the potential for a regional lime calciner – several regional water utilities soften water with quick lime. Inconsistencies in quality and supply are concerning and an RFP was developed to study the possibility of a lime kiln to convert byproduct residuals into a continuous recycling loop of quality quick lime and eliminate many disposal issues.

Staff continues to monitor the action at the state level related to renewable energy. Recent webinars addressed decommissioning provisions. MPSC expects to have draft rules by mid-June.

PLANNING COMMISSION REGULAR MEETING MINUTES - DRAFT Wednesday, May 1, 2024 | 7:00 pm

CALL TO ORDER: The meeting was called to order at 7:00 pm by Chair Rick Adams with the Pledge of Allegiance.

PLANNING COMMISSIONERS PRESENT: Chair Rick Adams, Secretary Andrew Powers, Beth Ball, Charles Openlander, Ron Overton, Richard Turcotte, and John Wiesner. Absent were Vice-Chair Ulrika Zay, and Joe Davis.

STAFF PRESENT: Planning Director Andrea Polverento.

COMMUNICATIONS RECEIVED: Polyerento outlined the communications received.

AGENDA APPROVAL:

Motion by Openlander, seconded by Wiesner, to approve the May 1, 2024 regular meeting agenda as presented. Motion carried.

PUBLIC COMMENT, NON-AGENDA ITEMS: None.

APPROVAL OF MINUTES:

1. April 3, 2024 Regular Meeting

Motion by Turcotte, seconded by Overton, to approve the regular meeting minutes of April 3, 2024 as presented. Motion carried.

PUBLIC HEARINGS: None.

NEW BUSINESS:

1. Case No. 24-04 SPR – Myers Plumbing & Heating – 16285 Industrial Parkway

Polverento reviewed the facts of the case, a request for final site plan review for a proposed 8,400 square foot cold storage building at 16285 Industrial Parkway.

The following standards are taken from Article 6 of the Zoning Ordinance, and are the basis for review by both Township staff and the Planning Commission. The Planning Commission reviewed each standard, and made the following conclusions:

(1) *Master plan.* The general purposes and spirit of this chapter and the comprehensive development plan of the township shall be maintained.

<u>Comments:</u> The proposed use is consistent with goals, objectives, and implementation strategies of the master plan. This is an expansion of an existing use.

(2) *Health, safety and welfare.* The uses proposed will not adversely affect the public health, safety, or welfare. The site shall be developed so as not to impede the normal and orderly development or improvement of surrounding property for uses permitted in this chapter.

Complies Does not Comply Condition of Approval Not Applicable

<u>Comments:</u> The proposed use will not adversely affect the public health, safety, or welfare, nor will it impede the orderly development of surrounding properties.

(3) Access. Safe, convenient, uncontested, efficient and well-defined vehicular and pedestrian circulation shall be provided for ingress/egress points and within the site. All streets and driveways shall be developed in accordance with the township subdivision control ordinance, the county road commission, and the state department of transportation specifications, as applicable. The proposed development shall be serviced by an adequate road system, and shall not adversely impact the level of service on adjacent roads.

Complies Does not Comply Condition of Approval Not Applicable

<u>Comments:</u> Safe and efficient onsite traffic flow is provided. No new ingress/egress points are proposed. The applicant shall meet the requirements of the Clinton County Road Commission and install a culvert under the existing drive.

(4) *Emergency vehicle access.* All buildings and groups of buildings shall be arranged so as to permit reasonable necessary emergency vehicle access as requested by the fire department serving the township.

Complies Does not Comply Condition of Approval Not Applicable

<u>Comments:</u> The existing and proposed buildings and uses have adequate access by the fire department serving the township.

(5) *Pedestrian circulation.* A pedestrian circulation system which is separated from the vehicular circulation system may be required. In order to ensure public safety, pedestrian measures such as sidewalks, crosswalks, crossing signals and other such facilities may be required in the vicinity of schools, playgrounds, shopping areas, or other uses which generate a considerable amount of pedestrian traffic.

Complies Does not Comply Condition of Approval **Not Applicable**

<u>Comments:</u> The proposed use is not expected to cause any adverse impacts to pedestrians.

(6) Natural features. Removal or alteration of significant natural features shall be restricted to

those areas which are reasonably necessary to develop the site in accordance with the requirements of this chapter.

Complies Does not Comply Condition of Approval Not Applicable

Comments: There is no proposed removal or alteration of significant natural features.

(7) Topography. The landscape shall be preserved in its natural state, insofar as practical, by removing only those areas of vegetation or making those alterations to the topography which are reasonably necessary to develop the site in accordance with the requirements of this chapter.

Complies Does not Comply Condition of Approval Not Applicable

<u>Comments:</u> The applicant shall obtain a Soil Erosion and Sedimentation Control permit from the Clinton County Building Department.

(8) Drainage. To provide areas for natural habitat, preserve natural drainage patterns and maintain the natural characteristics of the land, areas of natural drainage such as swales, wetlands, ponds, or swamps shall be protected and preserved insofar as practical in their natural state.

Complies Does not Comply Condition of Approval Not Applicable

<u>Comments:</u> The applicant shall meet the requirements of the Clinton County Drain Commissioner.

(9) Stormwater management. Appropriate measures shall be taken to ensure that removal of surface waters will not adversely affect neighboring properties or the public storm drainage system. Provisions shall be made to accommodate stormwater, prevent erosion and the formation of dust.

Complies Does not Comply Condition of Approval Not Applicable

<u>Comments:</u> The applicant shall meet the requirements of the Clinton County Drain Commissioner.

(10) *Landscaping*. Landscaping, landscape buffers and greenbelts shall be provided and designed in accordance with Article VIII of this chapter.

Complies Does not Comply Condition of Approval Not Applicable

Comments: Staff recommended utilizing the existing vegetation to meet requirements in compliance with Sec. 28-5.23.3.K.

(11) *Privacy*. To minimize or prevent trespassing or other adverse effects of adjacent lands, the site plan shall provide reasonable visual and sound privacy for all uses located therein, and adjacent thereto.

Complies Does not Comply Condition of Approval Not Applicable

<u>Comments:</u> Existing fencing meets district requirements. Any future gates which will

be locked shall have a lock box approved by the fire department.

(12) *Lighting*. To reduce artificial light pollution, avoid light trespass on to adjacent property and improve travel conditions by reducing glare and excessively lit surfaces, exterior lighting shall be in accordance with Sec. 28-5.18, Outdoor lighting.

Complies Does not Comply Condition of Approval Not Applicable

Comments: The proposed use shall comply with Sec. 28-5.18, Outdoor Lighting.

(13) Outside approvals. Site plans shall conform to all applicable requirements of county, state, federal, and township statutes and ordinances. Approval may be conditioned on the applicant receiving necessary county, state, federal, and township permits before final site plan approval is granted.

Complies Does not Comply Condition of Approval Not Applicable

Comments: This is a regular requirement of all applicants.

Motion by Overton, seconded by Turcotte, that the Planning Commission approve Case No. 24-04 SPR for Myers Plumbing and Heating, for final site plan review for construction of a 8,400 square foot cold storage building at 16825 Industrial Parkway, in Section 35 of Watertown Charter Township, provided that conformance to conditions 1-11, as noted below, are achieved to the satisfaction of the Township Zoning Administrator as being in accordance with the requirements of the Watertown Charter Township Zoning Ordinance.

Applicant tasks to receive **Final Site Plan Approval**:

- The applicant shall comply with the requirements of the Clinton County Drain Commissioner. The applicant shall amend the site plan to reference the drainage features and submit updated plans prior to issuance of a building permit.
- 2. The applicant shall comply with the requirements of the Clinton County Road Commission.
- 4. The applicant shall obtain a Soil Erosion and Sedimentation Control permit from the Clinton County Building Department and maintain compliance with all requirements.
- 5. The applicant shall comply with the requirements of the Township Building Official and obtain any required building and trade permits, if applicable.
- 6. The applicant shall file FAA Form 7460.
- 7. Outdoor lighting shall comply with Section 28-5.18 of the Watertown Charter Township Zoning Ordinance.
- 8. Any signage shall meet the requirements of the township's sign ordinance and permits shall be obtained.
- 9. Applicant must comply with all applicable State, Federal and Township laws.
- 10. Applicant shall retain existing vegetation on the south side of parcel in accordance with Sec. 28-5.23-3.3K.

11. Any fencing shall meet the requirements of Sec. 28-5.9, and any gates which may be locked after hours shall have a lock box approved by the fire department.

Motion carried.

2. 2024-2025 Proposed Committee Appointments

Motion by Turcotte, seconded by Openlander, that the Planning Commission approves the 2024-2025 committee assignments as amended. Motion carried.

Maintenance—Keeping Things Humming

Rodent repellant is a constant task for our operators at the lift stations. As one can imagine, rodents build homes and destroy electrical circuitry, which is very costly. Our team is spending a lot of time ensuring this doesn't occur by screening off large openings in the generator enclosures to try to make it harder for the rodents to get in.

The warmer weather has given us a jump on spring cleanup. The team has been picking up and repairing any damage to the landscape around the stations caused by snow removal. With as many stations that we have, it is challenging to place snow in a location that won't affect the landscape during the removal process, especially early in the season. Then, due to the unpredictable weather and heavier snowfall, we are forced to move snow further off of the hard surfaces, which increases the risk of minor grass damage and overall landscape damage. But, now that the snow is gone, we can focus on cleaning up any areas affected by snow removal this winter.

We are also progressing steadily with the check valve cleaning. This has been an excellent exercise, allowing us to fix and repair problems before they arise. It is impressive to see how many rags and other debris one

check valve can hold and still function properly! This new preventative maintenance program will be an annual event at a minimum to help mitigate poor flow due to unwanted debris.

The rebuild kit for the pump that failed last month at LS 113 has arrived. The team will be working on the repairs to the faulty pump and this pump will be put back in rotation as part of our backup list.

The team has also been assessing different panels and generators that need painting. This helps ensure the product's longevity and improves the station's overall appearance.

Administration

This month, the team finished the 2025 draft budget and it will be presented at the committee level at the end of the month. This budget is unique in SCCMUA's history, as it is the most significant project since SCCMUA's inception! We will now start to see the financial impacts of the expansion project. Additionally, the transition from old to new processes will further impact the budget due to the overlap in new vs old electrical and chemical costs.

Our newest operators are still in training but doing well. The on-the-job training will continue for many years. Getting new members up to speed to be sufficient to operate and make sound decisions takes at least two years. Our field is unique, and the main and most effec-

tive option for building knowledge is on-thejob training, along with some academic time sprinkled in.

The team is preparing for the big push of the expansion project, which will start in June. In order to get most of the significant operation-

al equipment online, it will be all hands on deck from the contractor and the SCCMUA team. This collaboration is critical in order to achieve the operational goal by the end of the fall.

Director's Report Page 2

Process—Making it Clean

NPDES Permit: All parameters of the NPDES permit were met. The total precipitation for the month was 2.572

Spring biosolids hauling is complete. Biotech Environmental subsurface injected 960,500 gallons of biosolids into farmland in DeWitt Twp. This provides nutrients and microbiology to the soils, acting as a fertilizer. Land application of biosolids takes place generally twice a year, once in the spring and once in the fall.

The team has been keeping up with routine maintenance and any other unscheduled maintenance items that arise. Recently, rebuilding the east primary sludge pump and changing out the seal (the previous one was leaking) and stator (the previous stator had heavy wear) to try and get the most efficiency possible from the pump. New refrigeration control

boards were purchased and installed to repair our primary and secondary samplers in the lab. It was noticed that the samplers were struggling to maintain temperature and after digging into the issue, it was determined that restoring the samplers was the answer. This fix allows the samplers to continuously maintain a required temperature of 4 degrees Celsius.

The team has looked into create more storage while still maintaining a clean look. One solution that has been implemented is converting an empty room under a stairwell near the pipe galley into a storage room. This will be organized and easy to access by adding storage racks and shelving. Another spot that has been converted to organized storage is in the RBCs on the wall in the B train area.

The storage includes an organized rack for holding brooms, squeegees, water and air hose sections. This space allows for easy access and a cleaner look for storage purposes.

Our team has also serviced and placed the west secondary clarifier back into service, allowing the east clarifier to be sprayed down and kept empty for contractors to access for the start of the secondary clarifier rehabbing work.

Inspections—The Scoop on the Poop

Miss Dig Totals:

Miss Dig Requests: 389 Miss Digs Marked: 40 Inspection Services: 18

Projects:

Staff continues reviewing the CCTV data from Plummer's Environmental. A total of 273 defects were observed. Many of the defects are minor and require only continued observation. Others will require a repair, usually in the form of a spot liner. Staff is working on a list of repairs for this year and a long-term repair schedule. A tentative cleaning and televising plan for 2024 and 2025 has been sent to Plummer's Environmental. The staff has begun work on a 2026 and 2027 cleaning and televising plan.

Bath Township master plan work continues. Prein and Newoff is working to create a flow model for entire Bath Township sanitary system. The model will allow for better planning and prediction of future growth. The model has proven tricky due to the complex nature of the Bath collection system.

Team members will begin inspecting manholes in the road project areas for 2024. SCCMUA works with the Road Commission to make repairs and external wrap manhole adjustment rings. As collection systems tighten up over the years, adjustment rings have become the primary source of infiltration. By repairing damaged rings and externally sealing the rings, we can reduce infiltration.

The team continues to work on the GIS and Lucity databases improvements. This project will improve the accuracy of the GIS and Lucity systems. Staff will continue to make improvements as time allows. Improvements include

updating attribute data, rectifying the GIS with air photos, creation of layers for tracking backups, past repairs, and future repairs.

CALL TO ORDER-The meeting was called to order at 6:00 pm

ROLL CALL-Board Members Present: Tubbs, Clark, Crego, Hufnagel, Strahle, and Hill.

PUBLIC COMMENT- None

CORRESPONDENCE- None

AGENDA APPROVAL- Motion by Strahle, seconded by **Crego** to approve the agenda as amended. **- Motion passed**.

APPROVAL OF MINUTES- Motion by Strahle, seconded by **Tubbs** to approve the minutes of December 20, 2023 as presented. **- Motion passed**.

APPROVAL OF BILL PAYMENTS- Motion by Strahle, seconded by **Hufnagel** to approve the bill lists dated January 17, 2024 - **Motion passed.**

REPORTS

Chief's Report- Chief **Ginnebaugh** provided a report and explanation of the information.

Noted that there were a few fires in the past few days. The staffing process is proceeding with 18 people tested last Thursday and Friday. Only one Paramedic in the group, mostly FF/EMT candidates. Will try to conduct both training Firefighters to be Paramedics and train the Paramedic to be a Firefighter. Everyone tested has passed now they will be in the process of selecting the best candidates. People we have hired in the past we have lost to other agencies.

Working on the annual report. The reporting system is going to be changing. There will be individual numbers instead of combining. So, the run numbers will look higher than in the past. Each vehicle will be getting a run number.

Vehicle maintenance new contract with CSI out of Greenville. Friday will get part numbers from the tanker and engine. They will probably pick up the vehicle and take it there if they cannot do the work here at the station. As soon as the estimates arrive, they will forward the information to the board.

There are very few companies that are doing this type of work and they are all busy.

Chair's Report - LGRFA will be in the black for the year. Close to \$30,000 for the year ending 2023.

Firefighters did some good work when we had the power outage and the generator had to supply the station. There were some small issues which they took care of, low oil and coolant. They added what was required and kept the unit going. PM Technologies was called and did some maintenance checks on it and it is now operating correctly. PM Technologies will be doing some testing to make sure it continues to operate correctly and then provide a report on the unit. We did have an issue with the electrical people that we normally call as they were unable to respond to the need. We will need to investigate

EXEC/FINANCIAL- Covered in Chairs report.

FACILITY/EQUIPMENT COMMITTEE REPORT - Covered by Chief with hi report on the vehicles that are in need of some repair that CSI will be looking into and providing estimates for repair.

Len's Cleaning Service still needs to complete the remaining sections of the station for cleaning and polishing.

DISCUSSION/ACTION ITEMS

- Discussion/Action to nominate/select officers for 2024. Tubbs motion to nominate and select Clark for Chair, Hufnagel for Vice Chair, and Hill for Secretary for LGRFA 2024. Second by Crego. - Motion Passed.
- 2. Discussion regarding Disposal of Surplus Equipment. No action at this time. **Tubbs** will put together a policy and bring it to the next meeting.
- 3. Discussion/Action regarding replacement of A/V equipment in the training room. Current equipment is obsolete. **Motion by Strahle**, seconded by **Hufnagel** to purchase required equipment to replace existing not to exceed \$1500. **Motion passed**.
- Discussion/Action to reconcile 2023 budget with 2023 costs. Motion by **Strahle** to accept the proposed budget amendments as presented. Seconded by **Hufnagel**. – **Motion Passed**.
- Discussion/Action to renew bookkeeping contract with Countryside Accounting.
 Motion by Hufnagel to approve a contract with Countryside Accounting for one (1) year.
 Seconded by Strahle. Motion Passed.
- 6. Discussion/Action to allow Firefighters to use LGRFA conference/training room for Firefighters discussions. No Action to be taken at this time. **Clark** will have a discussion with Brian Reed at Delta Township regarding the subject.

Looking Glass Regional Fire Authority January 17, 2024 Page 3 of 3

7. Discussion/Action regarding historical percentages for the townships for determination of funding percentages. Based on the reports and calls calculations show the same percentages for the townships as last year. Motion by **Strahle**, seconded by **Tubbs** to accept the report and present to the townships. (Watertown & Eagle) - **Motion Passed.**

AGENDA APPROVAL- Motion by Strahle, seconded by **Crego** to approve the agenda as presented. **- Motion passed**.

APPROVAL OF MINUTES- Motion by Strahle, seconded by **Clark** to approve the minutes of January 17, 2024 as amended. **- Motion passed**.

APPROVAL OF BILL PAYMENTS- Motion by Strahle, seconded by **Hill** to approve the bill lists dated February 20, 2024. There was a large bill from PM Technologies but the generator is now fixed. **- Motion passed.**

REPORTS

Chief's Report- Report discussion. Numbers will look a bit different now with stations occupied more often. 83 calls for the month. 31 for Eagle Township and 52 for Watertown Township.

Provided some information to **Clark** regarding some questions that came from Eagle Township's clerk.

Chair's Report - Early in the year so we should have budget to actual numbers after we get further into the year. About 33k that will accrue to our fund balance. Maintaining budget. Will have more info as we get further into the year.

EXEC/FINANCIAL- Covered in Chairs report.

FACILITY/EQUIPMENT COMMITTEE REPORT - Getting quotes on various items related to building and equipment for an updated CapEx planning. Committee met to review and update the plan. Need to work with both chiefs to better understand the needs for hose replacement

moving forward. **Clark** noted that it looks as if we will be spending some money on truck repair. Looks as if that cost may be approximately \$12K.

DISCUSSION/ACTION ITEMS

- 1. **Discussion/Action**: Policy for disposal of surplus equipment. No action we revisit next month.
- 2. Discussion/Action: Use of LGRFA conference room for Fire Fighter discussions. Most of these discussions occur at night which is a time that the Delta meeting room is typically available. There is a scheduling calendar for Delta meeting room. Communicating the use of the calendar for any of these Fire Fighter union meetings will help clarify when the meeting room is available so that it won't be necessary to use the LGRFA facility for such meetings.
- 3. **Discussion/Action:** Review of CapEx document. **Clark** has some questions and will get those to the Facilities committee.
- 4. **Discussion/Action**: Discuss CapEx item for fire truck. Need to work toward getting a grant writer involved. See who we might be able to work with on putting together a proposal for the new vehicle. **Clark** to do some initial follow up on grant writing sources and vehicle sources.

Minutes of Looking Glass Regional Fire Authority Meeting March 20, 2024, 6 p.m.

CALL TO ORDER-The meeting was called to order at 6 p.m.

ROLL CALL-Board Members Present: Hufnagel, Crego, Clark, Strahle, Hill and Tubbs.

PUBLIC COMMENT-Patti Schafer stated that the audit will begin at the end of April with new auditors. She also provided a couple of journal entry budget amendments. There was a bill presented from Lens Cleaning that is ok to pay in April. The billing situations with PM Technologies and RM Electric have been taken care of.

CORRESPONDENCE-There was much correspondence primarily dealing with the cost estimates of a new fire truck and potential cost for a grant writer.

AGENDA APPROVAL- Motion by Strahle, seconded by **Crego** to approve the agenda as amended. **Motion passed**. The payment of the ambulance is to be added as well as adding the two journal entries.

APPROVAL OF MINUTES-Motion by Strahle, seconded by **Hufnagel** to approve the minutes of February 21, 2024, as presented. **Motion passed**.

APPROVAL OF BILL PAYMENTS- Motion by Strahle, seconded by **Tubbs** to approve the bill list dated March 20, 2024. **Motion passed.**

REPORTS

Chief's Report-The Chief reported the runs went up slightly over the last month. They brought on three more full timers, though there will be a couple of retirements coming up. There is a new heat map that shows where the calls originate from, and it is a live feed. It would be nice to have it live on the website showing response times, calls per day, per hour, etc. The Chief mentioned that a McLaren emergency room will be at the corner of Nixon and Saginaw in Grand Ledge.

Chair's Report- John Clark stated that the new ambulance arrived and is in the building and he would like to go over ambulance graphics to determine graphics need to be on the vehicle. He will discuss the ambulance payment in discussion/action items. Billy Crego was a founding member of LGRFA and has decided to retire-this will be his last meeting. Clark thanked him for his twenty-two plus years of service.

EXEC/FINANCIAL- Covered in Chair's report-Billy Crego retiring.

FACILITY/EQUIPMENT COMMITTEE REPORT-There was truck information provided regarding different facilities that purchased similar vehicles and the pricing on them. They have contacted the Spark Group about helping apply for grants and for grant writing.

DISCUSSION/ACTION ITEMS

- 1. Discussion/Action on policy for disposal of surplus equipment-A sample policy was provided for review. It was decided to review this over the next few weeks and bring it back in April.
- 2. Discuss and Act on review 2024 Capital Expenditure document-The document was provided, and no action needed.
- 3. Discussion/Action on proposed pumper tanker unit and the means of funding a grant writer-**Motion by Strahle**, seconded by **Tubbs** to engage Spark Group as a grant writer assistant and propose to use the middle figure option of \$4500, with the option not to exceed \$7,000 which would include option three. **Motion passed**.
- 4. Discussion/Action on emergency repair-There was discussion on the aging equipment and building. There needs to be a policy that authorizes emergency repairs without having a special meeting to approve them. **Tubbs** will bring a sample policy for discussion to the next meeting.
- 5. Ambulance payment-It will need to be paid in the next few weeks. The quote was almost \$340,000 for it. **Motion by Tubbs**, seconded by **Strahle** to authorize payment for the new ambulance for LGRFA and the additional equipment and decals required not to exceed \$345,000. **Motion passed**.
- 6. Journal entries-**Motion by Tubbs**, seconded by **Strahle** to approve the budget amendments as presented dated March 20, 2024, for 2023 and 2024. **Motion passed**.

PUBLIC COMMENT-Tubbs expressed her personal and professional appreciation to Billy Crego for his many, many years of service, wisdom, humor, guidance, and his leadership to not only LGRFA but for all his guidance in supporting Watertown Township and herself. She will miss seeing him every month.

LET IT BE KNOWN, that it is a privilege to extend our sincerest praise and commendation to

Cindy Zerbe

in acknowledgement of her attaining the distinct honor of being named the Watertown Charter Township "2024 CITIZEN OF THE YEAR".

Commitment, reliability, and integrity have been reflected in all of Cindy's work in the community that enhances the quality of life in Watertown Charter Township. Cindy is highly active at the St.

Michaels Catholic Church, Grand Ledge Public Schools, and in the local community.

Cindy and her husband Dave have been married for almost 42 years. They have lived on Clark Rd. in Watertown Township for over 30 years raising their two children. Cindy has been the secretary at Wacousta Elementary for 28 years and is retiring at the end of this school year. She will be extremely missed by the students, parents, coworkers, and the community. She is well loved and respected by the students as well as the parents and school staff. Cindy has volunteered for more than 15 years for the local Relay for Life coordinating teams and events. She has volunteered for many years at St. Michaels and the Knights of Columbus. Cindy has volunteered and organized Blessings in a Backpack which benefits local school kids. She hosts local pool parties and continually lends a hand in the community wherever there is a need. She has also made sure that local school kids have the clothing they need, food to eat, care they might need, and always a hug and a smile. Cindy was instrumental in fundraising and coordinating efforts for the new Dream Depot at Wacousta Elementary. She has been a Weight Watchers leader and coach for many years. Cindy recently created a Memorial Fund for the little boy that went missing in the community. She was an integral part of the search and the liaison with the family during and after that tragic event. This is only a small synopsis of the ways Cindy enriches the community.

In her free time, Cindy can be found cheering on her grandchildren, Will and Madi, who are the loves of her life. She enjoys swimming, gardening, loving her grandchildren, spending time with her kids and husband, and greeting people with a smile and a chat. In everything she does, Cindy exudes kindness and a willingness to help everyone in need, always with a smile on her face.

IN SPECIAL TRIBUTE, therefore, this document is adopted on May 20, 2024, by the Watertown Charter Township Board of Trustees to commend and congratulate

Cindy Zerbe as Watertown Charter Township's "2024 CITIZEN OF THE YEAR."

2024 WACOUSTA BLOCK PARTY

JUNE I 2024, 3-7 PM

OUTDOOR ASSEMBLY LICENSE APPLICATION ATTACHMENT

The Wacousta Block Party is a community block party sponsored by Wacousta Cooperative Preschool. The event is held to raise money for the Wacousta Cooperative Preschool's scholarship fund. This fund is used to help families struggling financially, to pay for their child's early childhood education. It is open to any family regardless of income. WCP has been able to provide over \$6,000 in tuition assistance to families since the start of the Wacousta Block Party 3 years ago. This is not a ticketed event. However, we anticipate 1,000-2,000 people attending. This will include guests, volunteers, vendors, band members, and food truck workers. No alcohol will be served.

POLICE AND FIRE PROTECTION

Sheriff's department and fire department have been notified of the event.

There will not be security personnel on site, but there will be many volunteers from Wacousta Cooperative Preschool, Wacousta Community United Methodist Church, and the greater community roaming and monitoring. Staff of Wacousta Cooperative Preschool will also be in attendance to help monitor as well.

The parking lots will be used for vendor space, food trucks, and bands. These spaces will be natural barriers for attendees. Please see attached layout.

FOOD AND WATER SUPPLY AND FACILITIES

Food and drinks will be available for purchase from one of our 7 food trucks on site. Food will be available throughout the event.

HEALTH AND SANITATION FACILITIES

Four port-a-potties will be available outside. At least two have handwashing stations. One additional port-a-potty will be available that is accessible.

Inside restrooms, easily accessible are handicap accessible, and will be open during entire event for volunteers and vendors, but not open to the general public.

Volunteers will be onsite to change out trash cans throughout the event. There is a large dumpster onsite that will be available for disposal of waste.

MEDICAL FACILITIES AND SERVICES, INCLUDING EMERGENCY VEHICLES AND EQUIPMENT

Wacousta Cooperative Preschool has first aid supplies, and multiple employees have medical experience with CPR training, and will be onsite for the first aid tent and will be overseeing the first aid tent. There will signage indicating the first aid area.

Fire lanes will be kept open and blocked off with traffic cones.

VEHICLE ACCESS AND PARKING FACILITIES

In addition, we have established a partnership with Clinton Transit to provide shuttle service from Gloria Miller Park, Heritage Park, and Watertown Township Hall to provide added parking and safety for guests. Parking will also be available across the street for guests at Wacousta Elementary School. Vendors will be able to park in the lot of the Masonic Lodge. We will have volunteers stationed at traffic areas to serve as parking attendants and crossing guards.

The parking lots on site will be used for the festival.

There will be directional signage for parking.

Parking is not permitted along Herbison Road or Wacousta Road.

CAMPING AND TRAILER FACILITIES

Attendees will not be permitted to bring campers or trailers.

ILLUMINATION FACILITIES

The event is being held during the day so additional lighting will not be necessary.

COMMUNICATIONS FACILITIES

Our staff & volunteers will use walkies to communicate throughout the event.

General management of the event will be by Rachael Therrian and Chelsea Schafer.

NOTSE CONTROL AND ABATEMENT

Amplified sound will be used for Saturday only. The event ends at 7pm.

FACILITIES FOR CLEANUP AND WASTE DISPOSAL

Trash must be kept on the premises and not permitted to blow into the street or to adjacent properties.

As noted above, volunteers & staff are providing trash and recycling assistance and will monitor and change bags as needed.

INSURANCE AND BONDING ARRANGEMENTS

Our insurance agent has noted that we will be covered under our existing policies and we have noted that this is an annual event. We have increased our insurance to be sure that this event will be covered every year it is held. The full event will take place on our property.

Re: Wacousta Cemetery Drive Resurfacing

Attached is the proposed contract with the Clinton County Road Commission to resurface the drive in the Wacousta Cemetery. This project was originally budgeted for before the columbarium construction and was postponed due to the heavy nature of the equipment needed for that project. The columbarium project is now complete and the cemetery drive can be resurfaced.

Recommended Action:

Approval of the contract 497.015.150574 with the Clinton County Road Commission for the Mill and Fill of the Wacousta Cemetery Drive with a project cost of \$59,493.

Re: Building Inspection Services Contract Renewal

Attached is a copy of the renewal contract for building inspection services with Municipal Inspection Services Inc and a comparison of the fee schedule (Exhibit A). The proposed contract is for an additional three-year period ending May 31, 2027. There are minor changes to the contract other than the dates.

Fees for special inspections, additional services and per diem were increased from \$50 to \$65 to bring the cost closer to neighboring municipalities. The cost for a finished basement was set at \$65 per sq ft of finished space and the unfinished basement portion increased from \$21 sq ft to \$27 a sq ft.

The contract has no increase for the building permit formula.

Recommended Action:

To approve the contract with Municipal Inspection Services Inc. from June 1, 2024 through May 31, 2027 as presented.

WATERTOWN CHARTER TOWNSHIP CONTRACT FOR BUILDING INSPECTOR SERVICES

THIS CONTRACT is made between Watertown Charter Township, a municipal corporation of the State of Michigan, hereinafter referred to as "Watertown" and Municipal Inspection Services, Inc., a Michigan corporation authorized to do business in Michigan, hereinafter referred to as "M.I.S." and sets forth the mutual agreement of the parties as follows:

- 1. <u>TERM</u>: Watertown hereby contracts for and M.I.S. hereby agrees to perform the building inspection activities included in this contract for the tern beginning <u>June 1, 2024</u> and ending <u>May 31, 2027</u>. Either party may request a review of the terms and conditions of this contract prior to commencement of the second year of this agreement (April 30, 2026). At the end of the initial term of this contract, the contract will continue month to month until either party has given a 30-day notice of termination or a new contract is approved.
- 2. <u>DUTIES</u>: M.I.S. will provide the township's clerk with evidence of the necessary Michigan license/certification to perform building inspections and related duties for Watertown. It shall also provide proof of general liability insurance for its employees naming Watertown as an additional insured. M.I.S. shall conduct Watertown's building inspections in accordance with the township's Building Ordinance, Michigan's Codes, and all other applicable laws and requirements.
- 3. <u>EXTENT OF SERVICE</u>: M.I.S. agrees to provide the following services:
 - A. To discharge in a timely manner all duties of municipal building inspector as described in Watertown's Building Ordinance. This includes, but is not limited to, a review of applications for building permits, record keeping, inspections, issuance of "Certificates of Occupancy" in coordination with the Planning Director on enforcement of building code violations, and oversees the permitting and enforcement of the Electrical, Mechanical, and Plumbing Codes as approved by the State of Michigan and Watertown Charter Township.
 - B. Provide monthly and annual reports of building inspection activities for Watertown's Board of Trustees. It is agreed that such reports will include the following:

MONTHLY

- The number of new permits issued;
- Building permit receipts for period of reports;
- Recommendations: For more effective building inspections; Policy issues encountered; and/or ordinance revisions.

ANNUALLY

- Information/data required by Michigan Building Codes, State Law, and the Township Building Ordinance;
- The number of final inspections and Certificates of Occupancy issued;
- The number of open building files;
- Recommendations: For more effective building inspections; Policy issues encountered; and/or ordinance revisions.
- C. Provide contact phone numbers to Watertown where M.I.S. may be reached or where messages may be left for contact during normal business hours by township staff only. M.I.S. shall provide the township's clerk with contact information for all inspectors and administrators who work on behalf of M.I.S for use by township staff only. All messages left by township staff shall be returned within one business day.
- D. Will provide the Construction Board of Appeals with guidelines of duties and responsibilities to be kept on file at Watertown. Periodic meetings may be called to update guidelines and responsibilities of committee members.
- E. Make written recommendations, as needed, for updating and/or improving township building inspections or its Building Ordinance. Also, include written recommendations for either adoption or modification of Michigan Building Codes.
- F. Provide the basic tools and transportation necessary to perform the duties included herein except as noted in Section 4 of the contract. Additionally, M.I.S. will provide for all other expenses, including federal, state, and local taxes.
- G. As part of the required duties, M.I.S. may be requested to appear at meetings to explain decisions regarding conduct of the building inspection services, including township Board meetings and Construction Board of Appeals meetings. If attendance is required at such meetings, M.I.S. will be paid a per diem as identified in Exhibit A. It is understood that a minimum of a 72 hour notice will be given to M.I.S., including details of the situation requiring an explanation.
- H. Submit written itemized vouchers for payment to Watertown's bookkeeper at least two (2) working days prior to designated dates for township disbursement of funds in payment of its financial obligations.
- M.I.S. shall provide the township's clerk with copies of the licenses for all employees or subcontractors who work on behalf of M.I.S.

- J. Messages left for M.I.S. by contactors, residents or other applicants for permits shall be returned within one business day.
- K. M.I.S. shall inform Watertown, in writing, of any extended absences (three business days or more) from conducting inspections. Such notification shall include the dates of the duration of the absence, a contact number where M.I.S. can be reached if necessary, and an estimated time of return.
- L. All effort shall be made to inform Watertown of pending permits to be issued and/or certificates of occupancy to be issued so township zoning inspections can be conducted with efficiency.
- M. Permits that have been finalized and/or cancelled shall be delivered to Watertown on a monthly basis.
- N. M.I.S. shall update and maintain computer software compatible with Watertown. Such software shall be updated as needed, no less than once every six months.
- 0. M.I.S. shall provide two set hours per week, during which the building official shall be available to answer calls.
- 4. <u>WATERTOWN'S SUPPORT</u>: It is agreed that Watertown will:
 - A. Provide M.I.S. with Township office space and materials necessary to keep all the required records at the township office.
 - B. Provide any forms required by governmental agencies for the purpose of reporting the activities of independent contracts, i.e. form 1099.
 - C. Continue memberships in International Code Council at Watertown's own cost and make all materials provided by ICC available to M.I.S.
 - D. Watertown shall be responsible for informing applicants of the status of their permit applications and certificates of occupancy, and dispensing said documents provided payment has been made in full. M.I.S. shall provide all contact information necessary on the permits and/or certificates of occupancy so that Watertown may carry out these duties in a timely manner.
 - E. Watertown shall provide digital copies of all applications, receipts and correspondence when possible. It is understood that oversized prints cannot be provided digitally.
- 5. <u>FEES</u>: M.I.S. will be compensated by Watertown according to the schedule in attached Exhibit A. The fee schedule may be amended from time to time by resolution of the Watertown Charter Township Board, subject to the mutual approval of both parties to this contract.

- M.I.S. will be paid its fee upon issuance of the building permit and will be responsible for closeout of the permit and issuance of the occupancy certificate.
- 6. <u>ADDITIONAL SERVICES</u>: In some instances, Watertown's Board supervisor or Watertown's planning director may authorize services to be performed by M.I.S., in addition to the duties outlined herein. In this event, M.I.S. will be paid at the hourly rate designated in Exhibit A for Additional Services." Such services, may include, but are not limited to, attendance at township board meetings for consultation purposes on matters other than issued building permits or occupancy permits.
- 7. <u>TERMINATION OF CONTRACT</u>: This contract may be terminated for the following reasons:
 - A. This contract may be terminated at will by either party upon a 30 day notice. M.I.S. will complete any outstanding inspections for permits that were issued before the date of termination and M.I.S. will officially close out any outstanding permits. M.I.S.'s method of payment will remain the same.
 - B. This contract may also be terminated at any time for just cause with immediate discharge of M.I.S.'s services. If M.I.S.'s services should be terminated immediately, M.I.S. shall be solely responsible for arrangements to complete any outstanding permits already compensated for, which may include additional inspections and issuance of the Certificate of Occupancy. Such arrangements may entail compensation to a third party by M.I.S. Termination by just cause shall include and be limited to the following actions either by M.I.S. or its agents/employees conducting building inspection activities for Watertown:
 - 1. Revocation or suspension of any required licenses or certification to lawfully perform the duties described in this contract;
 - 2. Continuing inattention to, or neglect of, the duties to be perfomled by M.I.S. under this contract;
 Dishonesty detrimental to the best interest of Watertown:
 - 3. Physical incapacity of the agents or employees of M.I.S. to the extent that the requirements of this contract cannot be fulfilled;
 - 4. Conviction for any theft, fraud, or felony;
 - 6. Imparting any information regarding Watertown to the general public which is not subject to the Freedom of Information Act or is otherwise confidential;
 - 7. Unethical or unprofessional conduct;
 - 8. The failure of M.I.S., for any reason, within twenty (20) days after receipt of notice from Watertown, to correct, cease, or otherwise alter any failure to comply with this contract or other action or omission to act that in the opinion of Watertown does materially or adversely affect Watertown's operation.

- 8. NON-EXCLUSIVE CONTRACT: It is agreed that this is a non-exclusive contract consistent with the need of Watertown Charter Township, and does not preclude M.I.S. from performing building inspection and other business activities outside of Watertown. M.I.S. shall control the means and methods of its performance and duties. However, it is understood that the scope and extent of outside activities shall not interfere with M.I.S.'s performance under this contract.
- 9. <u>RELATIONSHIP AS INDEPENDENT CONTRACTOR</u>: The parties understand and agree that the relationship created by this contract is that of an independent contractor, and that M.I.S. will not be considered an employee of the Township for any purpose, nor will it be entitled to any of the usual benefits provided by the municipality to its employees, including but not limited to worker's compensation, unemployment benefits, FICA, FUTA, retirement, or the like.
- 10. <u>PROHIBITION AGAINST ASSIGNMENT</u>: M.I.S. agrees on behalf of its executors, administrators, heirs, legatees, distributes, and any other party or parties claiming any benefit to them by virtue of this contract, that this contract and the rights, interests, and benefits hereunder shall not be assigned, transferred, or pledged in any way.
- 11. NO THIRD-PARTY RIGHTS: It is not intended that this contract create any rights in any party other than M.I.S. In the event that M.I.S. engages other individuals or professionals to assist them in performing the services required by this contract, such individuals shall be considered solely the agents or employees of M.I.S., and not agents or employees of Watertown. M.I.S. further agrees to indemnify and hold the Township harmless from any claim by third parties on account of services rendered in performance under this contract, including claims for wages, expenses, withholding, workers' compensation, unemployment insurance benefits, and all other statutory or common law benefits and insurance, except for services provided for commercial plan review.
- 12. <u>INDEMNIFICATION OF TOWNSHIP</u>: M.I.S. shall be solely and entirely responsible for its own willful acts or omissions during the performance of services required under this contract and shall indemnify, defend and hold the Township harmless from any liability asserted against the Township or its boards, agents, or employees, on account of any negligent act or omission by M.I.S. or any individual or professional engaged by it to provide services required under this contract.
- 13. <u>HOLD HARMLESS</u>: Watertown agrees to indemnify and hold M.I.S. harmless for proper and good faith performance under this contract in the consistent execution of the building ordinance and Michigan Building Codes, which nonetheless results in legal action brought against M.I.S. M.I.S. may request to be named as an additional insured on Watertown's liability policy, subject to the limits of said policy, and reimburse Watertown for any additional costs of the policy.

- 14. <u>SEVERABILITY OF INVALID PROVISION</u>: The provisions of this contract shall be deemed severable, the invalidity or unenforceability of any one or more of the provisions of this contract shall not affect the validity and enforceability of other provisions. This contract shall be construed in all respects as if such invalid or unenforceable provisions were omitted.
- 15. GOVERNING LAW: In view of the fact that Watertown is a municipal corporation of the State of Michigan, it is understood and agreed that the construction and interpretation of this contract shall, at all times and in all respects, be governed by the laws of the State of Michigan.
- 16. ENTIRE AGREEMENT: This contract contains the entire agreement and understanding by and between Watertown and M.I.S. with respect to this Contract for Building Inspection Services, and no representations, promises, contracts or understandings, written or oral, not contained herein, shall be of any force or effect. No change or modification of this contract shall be valid unless it is agreed to by both parties in writing. No waiver by any party of any condition, or of any breach of any term, covenant, representation, or warranty contained in this contract, in any one or more instances, shall be deemed to be or construed as a further or continuing waiver of any condition or of any breach of any term, covenant, representation, or warranty.
- 17. <u>CONFLICT OF INTEREST</u>: In instances where M.I.S. is engaged in construction activity within the Township and a building inspector is required, the inspection will be performed by a party designated by the Township, independent of and having no affiliation with M.I.S.

Watertown hereby contracts with M.I.S. and M.I.S. hereby accepts the terms of this contract herein set forth.

IN TESTIMONY WHEREOF the parties hereto have executed this instrument in

Formula to Determine Valuation of Construction:

The valuation of all construction will be determined by the International Code Council data which is updated every six months. (Note: Values may go up or down according to national average building costs.)

Unfinished Basements, Decks, & Porches: \$27.00 per square foot, or actual cost Finished Basements \$65 per square foot of finished space.

(Note: Decks that are less than 30" off the ground measured from the surface of the deck to the ground level at all points of the deck, do not require a building permit, unless they are the required exit from the building.)
